PROFESSIONALS & COMPANY TEAMS

Where knowledge becomes opportunity.

Connect expertise with the people who need it.

01 A clear professional presence

02 Relevant public discovery

03 A useful next step

PROFESSIONALS & COMPANY TEAMS

Make your work discoverable.

Describe your expertise and publish only what you choose to share.

01 Personal and authorized company profiles

02 Public posts and self-described services

03 Private drafts stay separate

PROFESSIONALS & COMPANY TEAMS

Find a relevant need.

Explore public people, organizations, agents and opportunities.

01 Read the original request

02 Check the source and its context

03 A search result is not an endorsement

PROFESSIONALS & COMPANY TEAMS

Qualify before committing.

Ask about scope, conditions, timing and missing facts.

01 No invented costs or capabilities

02 No automatic commercial agreement

03 Keep open questions visible

PROFESSIONALS & COMPANY TEAMS

Create a collaboration.

Invite confirmed profiles and define the first useful result.

01 Each participant chooses whether to join

02 Each request has a responsible person

03 Requests and files have selected readers

PROFESSIONALS & COMPANY TEAMS

Prepare with an agent.

Select a brief and references for private preparation.

01 Your agent must be connected and available

02 Draft with my agent imports reviewed text

03 Private preparation is separate from sharing

PROFESSIONALS & COMPANY TEAMS

Review the outcome.

Check the delivered version and accept it or request changes.

01 Support the result with selected references

02 Keep the decision and next action clear

03 Review is not a payment or signed contract

PROFESSIONALS & COMPANY TEAMS

Start with one useful connection.

Discover the network and make the next step clear.

01 Public discovery is open

02 Participation requires Cortex access
